Dear Student,

Greetings from Darshan University!

We are pleased to know that you are currently pursuing your Bachelor of Computer Applications (BCA) at Darshan University.

As you approach the completion of your BCA, we would like to invite you to continue your academic journey with the **Master of Computer Applications (MCA)** program at Darshan University.

An MCA degree can help you strengthen your technical knowledge, develop advanced IT skills, and explore better career opportunities in the field of Information Technology.

Why Choose MCA at Darshan University?

- Advanced knowledge and skills in Computer Applications
- Industry-oriented curriculum
- Experienced faculty and academic support
- Opportunities for practical learning and skill development
- Career and placement opportunities
- A smooth transition from BCA to MCA within the university

If you are interested in pursuing MCA, we encourage you to start your admission process at the earliest.

👉 **For More Information & Admission Enquiry, Click Here** <https://darshan.ac.in/how-to-apply>

For detailed information regarding **eligibility, admission procedure, fees, important dates, and application process**, please contact the university admission team.

We look forward to welcoming you to the MCA program and continuing your journey with Darshan University.

Best Regards, **Admission Department Darshan University**
